

CHANDA SOK

INTERNSHIP ON SOFTWARE DEVELOPER

DEAR SIR/MADAM,

I'm writing this letter to seek available position as an "New fresh internship on Software developer". I am available from 8:00AM-5:00PM for 3 months.

As you will see in the enclosed curriculum vitae, I'm currently a year 3 student study bachelor degree in computer science at Cambodia Academy of Digital Technology call CADT.

I consider myself an outstanding candidate for this position because I have the following relevant experience in my academic year:

- Involve in school project as a developer on Frontend and Backend especially on Frontend to build the wonderful E-learning website.
- Create the E-commerce website and manage on CRUD operation on sneaker with design on the sneaker page
- Create the CV builder Application that help generate the CV by filling the form then generate as PDF

Although, I successfully completed on training program that teach about time management, Leader ship, communication and team work at Journey Within Our Community.

I appreciate your consideration of my application for this position. Should you wish to discuss my application in more detail, please feel free to contact me at +855 964-109-534 or via email at sokda106@gmail.com. I have also attached my resume for your review and look forward to the possibility of contributing to your team.

**RESPECTFULLY,
SOK CHANDA**
